APPLICANT'S SUMMARY OF INTERVIEW

Applicant acknowledges with appreciation the courtesy of a personal interview extended to Applicant's representative on February 21, 2007. During the interview, no exhibits were shown and no demonstrations were conducted. The cited references were discussed with respect to claims 1, 5 and 8. Applicant's representative indicated that one of ordinary skill in the art would not have been motivated to combine the applied references in the manner described in the outstanding office action but that the claims would be amended in an attempt to accelerate prosecution. No agreement was reached as to the allowability of the claims.
